

My Loved Ones:

God says in Psalm 37:23 - The steps of a good man are ordered by the LORD, and He delights in his way.

Fanny Crosby desperately needed five dollars and did not know where she could obtain this amount. As was her custom, she stopped to pray about it. Within minutes a stranger appeared at her door with just the right amount. "I have no way of accounting for this," she wrote, "Except to believe that God, in answer to my prayer, put it into the heart of this good man to bring the money. My first thought was, it is so wonderful the way the Lord leads me. I immediately wrote the poem and Dr. Lowry set it to music."

Little Fanny was blinded at early childhood because of improper medical treatment, but called herself the "happiest creature in all the land," because of her relationship with God.

The song that she wrote speaks of being satisfied in Jesus and what He is doing; not doubting His mercies Who has guided so far; the fact that God gives peace and comfort along the journey; that God does everything well because He is good; that He gives cheer though the winding paths of life; that God gives grace for every single one of our trials; and that God provides springs of joy for our weary steps in this life.

The hymn is "All the Way My Savior Leads Me."

Loved ones, we can trust the Lord with all that we have going on in life.

We love you and are praying for you today.
