

My Dear Loved Ones:

God says in Ps 90:16 - "Let Your work appear to Your servants, / And Your glory to their children."

Here is a prayer for a fresh expression of God's Power, in our lives and in the lives of our children.

We've seen in this Psalm 90, that man's flesh perishes. From the day that man was born, we're heading toward a grave. But the good news is that God's abiding glory is forever. Therefore, if I am going to share in that, I've got to be close with the Lord. We are praying that we see God work in our days.

Here is a prayer for our heritage passed on to our children in an every-changing world that lacks permanence. The future lays with the children. It always does. Our children must carry on the purposes of God. God is interested in our children. We need to pray that God does His work in them.

As our children look at us they see failure at times. God can overrule even our failures and show His glory to them through our lives. Now, this fact that God can overrule our failures, doesn't mean that God will just allow us to do wrong, and everything will still be alright in the end. It doesn't work quite like that. We have a responsibility, and the laws of "sowing and reaping" still take effect.

Let's pray that God will show Himself strong in our days and to our children and speak to their hearts.

Praying for you today, my loved ones.
