

My Dear Loved Ones:

God says in Ps 90:2- "Before the mountains were brought forth, / Or ever You have formed the earth and the world, / Even from everlasting to everlasting, You are God."

We can always rely on the Lord.

Everlasting speaks that God is eternal; He has more than enough life in Him - He can make ours satisfying. Do you rely on God to satisfy your life? It shows when we are not satisfied by when we get angry, depressed or worried.

Life is brief, but God is not.

Let us keep these perspectives in mind. God is timeless. But He is not so great and vast that He is remote and cold. He invites us to come and find our den in Him.

This speaks of God's stability.

In these difficult days of different opinions and where not one of us gets our way completely in life, we can trust God to be there and take care of us.

Praying for you today, my loved ones.
